Learn about your network.

For members with an Exclusive Provider Organization (EPO) Plan:

- Your network consists of ZOOM+Care facilities and providers, and ZOOM+Partner facilities and providers.
- For services not available by ZOOM+Care or +Partners, ZOOM+Care will coordinate access with First Choice Health Network (FCHN) Providers.
- EPO plan members require permission from plan to see FCHN providers in most cases. If you do not first secure required plan permission, you will be responsible for 100% of the costs.
- Please contact a ZOOM+Care Help Team at (503) 684-8252 to find out if a referral or prior authorization is required.

For members with a Point-of-Service (POS) Plan:

- Your network consists of ZOOM+Care facilities and providers, and ZOOM+Partner facilities and providers.
- For a higher share of the cost, you may also choose a provider from the First Choice Health Network (FCHN).
- Please contact a ZOOM+Care Help Team at (503) 684-8252 to find out if a referral or prior authorization is required.

Who is First Choice Health Network (FCHN)?
